NOW OPEN FOR BUSINESS

Mission Among Barbarians.
The American Presbyterians have established a new mission on the Sobat river, beyond Khartoum, and 2,000 miles below Egypt. It is an uncivilized region, and the language has nothing in common with the Egyptian Arabic.

Burglar Balks at Jewels.
Though not taking all the money he could find, a burglar who broke into a woman's house in Paris left a note saying he could not find it in his heart to take her jewels lest they were heirlooms.

NOT QUITTERS

Reports That the Hoppers Would Leave the League False.

Good Players Being Secured Every Day--Are in to Stay.

The report that the Hopkinsville baseball team might be withdrawn from the K. I. T. League is denounced by Manager Hancock as utterly false. He today telephoned Umpire Setley that Hopkinsville is in the league to stay and would be found playing good ball at the close of the season. He said that Hopkinsville was doing her best to get good players, and would strengthen the team whenever possible, and as often and rapidly as possible.

This will be good news to local fans. Hopkinsville is a favorite here, even if they were once Paducah's "hoodoo." We have now broken that charm and they can't beat us this season, hence we have the best possible feeling for them.

HICKS ON JUNE.

Hicks forecasts for June follow: June will open with high temperature, with rain and thunder from 1st to 3d. Rising barometer, change to westerly winds, clearing and cooler will supplant and follow the storm area, the change behind the storm passing eastward across the country from 3d to 5th.

From the 4th to the 9th look for rising temperature, with storms of rain, wind and thunder.

About 10th and 11th may be expected thunder storms, general and excessive sheet lightning, volcanic disturbances and seismic phenomena.

A reactionary storm period will be central on the 12th and 13th. The temperature will rise greatly and the period will be one of great electrical storms.

The next storm period is central on the 18th. The crisis of this period will fall from about Saturday, the 18th, to Tuesday, the 21st, the storms centering more decidedly on and touching the 20th. Look for startling and continuous displays of lightning throughout the nights at this period, and most likely for many days through all the central parts of the month.

The 23rd, 24th and 25th are central dates of a reactionary storm period. On these days there will be increased tendencies to decided storms--higher temperature, falling barometer, growing humidity, all followed by storms of wind, rain and thunder. Change to westerly winds, rising barometer and fair, cooler weather will come in from the west and north as the storm areas pass off to the eastward.

June comes to its close in the midst of a regular storm period. This period is central on the 29th, reaching from the 27th to July the 3d.

In the nature of things, June will bring many showers and some general, hard rains, to most sections, but the rain falls will probably not come up to the average, taking the country as a whole. This means, of course, that some sections will have a shortage of moisture before the close of the month.

DIXON SPRINGS.

Under new management and everything newly furnished, Dixon Springs opens with the grand ball June 18. These springs have been thoroughly overhauled and many improvements made. For particulars call on or address J. M. GROVES, Manager.

Surplus Wheat Crop of 1901.
The world's wheat surplus of the crops of 1901 is put at 13 million quarters, about half as much as the United Kingdom uses yearly.

LEADING ATTORNEYS.

Jos. R. Grogan, Attorney at law, room 402 Fraternity building, Phone 686.

Taylor & Lucas, rooms 208-205 Fraternity building. Both phones 695.

Bagby & Martin, No. 225 South Fourth street, up stairs.

NEWS OF THE RIVERS.

HAVE YOU A COUGH?

A dose of Ballard's Horehound Syrup will relieve it. Have you a cold? A dose of Herbine at bed-time and frequent small doses of Horehound Syrup during the day will remove it. Try it for whooping cough, for asthma, for consumption, for bronchitis. Mrs. Joe McGrath, 27 E. 1st street, Hutchinson, Kan., writes: "I have used Ballard's Horehound Syrup in my family for 5 years, and find it the best and most palatable medicine I ever used." 25c, 50c, \$1.00.

—Mr. Muscoe Burnett, superintendent of the Paducah Water company, has gone to St. Louis to attend the National Water Works convention in session there.

"I have a surprise for the boys," says Solomon, the Tailor.

"I have a new wrinkle. I am making a specialty of 2-piece suits at \$22.50.

"Think of that! A genuine tailored suit for \$22.50! And it's MADE RIGHT—made by as good tailors as can be had.

"I offer you a great big variety of nobby patterns to select from, too," says

SOLOMON, the Tailor,

J. V. GREIF, Manager.

If We Could Talk Shoes To You for Five Minutes

If we could do this we would come near selling you all your shoes.

We would simply show you our many lines, show you how they are made, by whom made and what they sell for.

We have nothing in stock but the products of the best manufacturers in the country.

We never overprice a shoe--in truth we sell on a closer margin than any house in Paducah.

Just now we are showing some splendid bargains in low-cuts for men and women and also children.

Would like to show them.

Oendler & Lydon
